

## PUBLIC NOTICE

### **Great Bear Petroleum Operating LLC (GBPO), North Slope, Exploration and Evaluation Program, Amendment #3**

The Alaska Department of Natural Resources, Division of Oil and Gas (DOG), has received a Lease Plan of Operations amendment application, dated September 24, 2012, for the existing Lease Plan of Operations approval 11-007 from GBPO to drill one additional well at the Alcor drill site and conduct a production flow test of up to 180 days. DOG is providing public notice and an opportunity to comment.

**Applicant:** GBPO, 601 W. 5<sup>th</sup> Ave., Suite 505, Anchorage, AK 99501; Karen Bryant Duncan/Pat Galvin 907-868-3887.

**Location:** Umiat Meridian, Township 07 N, Range 14 E Section 5  
ADL: 391706

**Project Description:** GPBO proposes to drill an additional well at the Alcor drill pad to directionally drill into the Shublik Formation, or "spud to toe," and perform a production flow test of up to 180 days. The well is proposed to be approximately 10-15 feet from the existing well at this drill site and no additional surface impacts are planned or anticipated.

The application package is available for review at the DOG, Permitting Section, 550 West 7th Avenue, Suite 1100, Anchorage, AK 99501 and online at  
<http://www.dog.dnr.alaska.gov/Permitting/Permitting.htm#permittingnotices>.

Please send comments to [dog.permitting@alaska.gov](mailto:dog.permitting@alaska.gov), or by regular mail to the DOG address above. All comments must be in writing. A copy of the final decision will be sent to any person who provides written comments. Only persons who comment in writing during the public comment period will be eligible to file an administrative appeal or to request reconsideration of the final decision (11 AAC 02).

**All comments must be received by the Comment Deadline: 4:30 pm, Alaska Time, 10/14/2012**

The Department of Natural Resources complies with Title II of the Americans with Disabilities Act of 1990. Individuals with disabilities who may need auxiliary aids, services, or special modifications to participate may contact TTY 907-269-8411 or address above.
